### 2016 Gigliola Gori Junior Scholar Award

The prize is awarded for an unpublished essay of outstanding quality in the field of sport history. Eligible scholars must be a member of ISHPES and a registered student (undergraduate or graduate) at the time of the Congress or a young scholar (within one year of receiving a PhD). The essay must be submitted in English and the text itself (including notes and bibliography) must not exceed 10,000 words. The main criteria for selection will be based on originality, the scientific quality of the research and the value of the study from the perspective of international sport history.

The award winner will receive 1000€ (one thousand euros) and free registration at the Congress and a year's membership to ISHPES. His/her paper will be published in the international journal STADION and the winner, together with any other entrant whose work is recognized by the committee for its quality, will receive a diploma that will be presented during the Congress. Essays must be submitted to Gigliola Gori, Chair of the Awards Committee, by email no later than May 15, 2016: [awards@ishpes.org](mailto:awards@ishpes.org). The award will be presented at the 2016 ISHPES Congress.

### Gerd von der Lippe Junior Scholar Fund

Graduate students presenting papers at the ISHPES Congress are eligible to apply for a travel grant from the Gerd von der Lippe Junior Scholar Fund. The money will be divided among the applicants to help defray the costs of travel and accommodation at the conference. Exact amounts of the financial support will vary.

A graduate student requesting travel funds must make a request for a Gerd von der Lippe Junior Scholar Fund grant at the same time as the abstract submission. Applications should consist of a concise letter from the prospective participant requesting a grant from the Gerd von der Lippe Junior Scholar Fund, sent to Dr. Sandra Heck, ISHPES General Secretary, at [info@ishpes.org](mailto:info@ishpes.org). Requirements:

- 1) Be a current ISHPES member
- 2) Include applicant's academic affiliation
- 3) Include the name and email address of applicant's graduate program advisor

Funding requests will have no bearing on the scientific committee's decisions on panels, but funds will not be

awarded unless the applicant's paper is accepted by the scientific committee in a separate decision.

All recipients must register for the ISHPES conference in advance. This financial support will be disbursed to recipients by the ISHPES General Secretary at the conference. The winner of the Gigliola Gori Junior Scholar Award is not eligible for financial support from the Gerd von der Lippe Junior Scholar Fund.
